CAMBRIDGE PROVIDES THE RESOURCES FOR YOU TO BECOME A SUCCESSFUL INDEPENDENT MARKETING OR SALES PROFESSIONAL

Whether you're an Independent Marketing Professional seeking the next project assignment or a successful Marketing Executive requiring administrative support, Cambridge is the partner resource for you. Since 1997, Cambridge Consulting has been providing independent marketing and sales professionals – on a consulting and staffing basis – to a who's who of Fortune 500 technology and emerging technology companies. As a consultant with Cambridge, a leading Marketing Staffing and Consulting firm, you'll find no other firm can match our domain level of knowledge, functional experience and operational support.

"Working with Cambridge provides me with varied, challenging assignments and allows me to focus on client-facing opportunities without concern about infrastructure issues."

— Jim Dudley

INDEPENDENT MARKETING PROFESSIONAL

You've made a lifestyle choice. After more than 10 years of working for someone else, you're on your own and loving it. Setting up and managing your own business is important, but not as important to you as making the client's deadline and delivering world class marketing capabilities. If this is you, then Cambridge is your ideal resource, offering a variety of personal and professional benefits. You'll receive benefits based upon the relationship level we establish.
